**Grade VI circular for Transition Module**

18<sup>th</sup> April 2018

Dear Parents,

I am writing to invite you for the culmination of the transition module for students who have moved from Class V to VI.

You are requested to join us at 8:15 am on Wednesday, the 25<sup>th</sup> April in your wards classroom at the Annexe block. Your ward will take you through the process and the learning experience of the module.

You will also get the opportunity to view the final outcome "A Healthy Breakfast".

We look forward to your encouraging presence. Please note this is not a PTM and teachers are not available to discuss the students' progress.

It is a regular working day and students will continue with the regular time table and classes after 9:00am.

With kind regards.

Yours sincerely,

Principal
