CLUBS

The various clubs of our school have been hubs of several exciting activities. To enhance this we have once a week stay back for *Theatre, Art & Chess* and twice a week for Dance, (for students) to hone their skills. The clubs are supervised by professionals.

INSTRUMENTAL MUSIC

A trained guitarist and keyboard instructor will tutor students twice a week on one – on – one basis. This is a popular activity which has limited vacancies.

CREATIVE WRITING WORKSHOP

Over 10 sessions of 90 minutes each, students will learn what constitutes creative writing. Participants will work with elements such as Character, Plot, Setting and Point of View. In addition, they will learn to identify their writing 'voice' and how to develop it. The Workshop is experiential, with writing exercises, discussions and feedback designed to improve participants' skills and build confidence in Creative Writing.

Aeromodelling

It is a creative hobby which encourages the young aspirants to think laterally. A child learns the basics by designing, building and flying the different models of airplane. We provide an opportunity to experience the thrill of flying.

Please note:

There is no school transport available after the afternoon class and students should be picked up from the main gate between 3:45 to 4:00 pm. Please ensure that children are picked up on time.
