Please download the templates for the Powerpoint presentation as well as for the posters/ banner that your school may use for projections and presentations at: <https://drive.google.com/open?id=0B-aJR4hh4sT6QnNLX2jUnprdWs> . Please note that the posters/banners may be made by the participating students keeping the theme in focus. The support links of this e-kit to help the students prepare their presentations are also available in the above link.

The festival's idea is to encourage the Indo-French friendship with emphasis on the collaboration between India and France since past and in the modern times.

This is a festival where schools collaborate to enjoy half day around French language, culture and that too within the **pre-defined themes: a) France in India and b) India in France.**

In case your school participates in the festival hosted by another school, the school group may use the school transport facility. In case your school is a host, the other schools will similarly use their school transport.

The school teachers and administrative members of the school should visit the presentations and encourage the students.

Our office shall provide attestations to the participating students which will be sent to the participating schools directly.

I would request you to send us the following:

- Logo of your school
- List of team members for each participation (template enclosed in Excel format)

Kindly note that each team may participate in several domains/ categories

Please note your school's registered details:

REGISTERED AS: Host school – Format 10 (your school invites & hosts 10 neighbouring schools)

TEAMS REGISTERED: Three

DATE SELECTED: Friday, 24 November, 2017

We shall share the details of your coordinator teacher with other schools so that the participation of teams from other schools can be facilitated.

If you wish to invite other schools in your proximity, please feel free to do so. **Kindly send us the list of these schools so that we can also invite them on your behalf.**
