

DEAR time: Class 1

DEAR TIME (Drop Everything And Read) provides students with much more than just sit there and read experience .It gives students time to read what they want to read, share what they have read and receive the support they need for further reading exploration and reflections. DEAR TIME was organised for the entire school on 24.11.17 from 8am to 8.40am. Children of class 1 took part in the programme .Age appropriate books were laid on the teacher's table and children were asked to pick one each and spend time in reading it. Students choose the book they wish to read based on interest and ability. Once a child finished reading a book, it was exchanged with his table mate. After twenty five minutes of reading, story session was held by teachers. The children thoroughly enjoyed the reading session and expressed their pleasure in being introduced to the joyous world of books through the programme.
