

DK Quiz 2017

24th August 2017

We are delighted to inform you that we are holding the 4th edition of the DK Quiz School prelim on 24th August 2017 in the School Auditorium

Started in 2014 this quiz, promoted by Dorling Kindersley India has now become an important part of our school calendar.

The quiz is being produced by Quizcraft Global in association with Eureka Books.

The format is unique. All students (a minimum of 100 students) from classes 7 to 9 can participate in the written preliminary round to be held within the school premises. Six teams of two students each will then be selected for the stage round based on this written round.

The stage round takes place on the same day. The winning duo from the stage round then goes to the inter school finals to be held in September-October.

In this quiz rather than focusing on the regular quizzers of the school there is a unique opportunity for all children of the age group to participate. Since DK is one of the leading reference book publishers of the world, the quiz content will accordingly cover topics such as Space, History, Earth, Animal World, Countries of the World and so on.
