

'Distinguished Teacher Award' of Rotary Club

It is a proud moment for the Sanskriti family as our Senior School Incharge, Mrs Pooni Rajesh, has been honoured with the 'Distinguished Teacher Award' of Rotary Club of New Delhi for the year 2017. Mrs Rajesh, who joined Sanskriti School in 2001, has served the institution in various capacities and since 2012, under her leadership, the senior school has achieved eminence in the field of academics and extra-curricular activities. Mrs Rajesh's acumen as a leader makes her exemplary among teachers and this is just another milestone in her distinguished career.
