

Prep Grandparents Day

Grandparents are special!

To honour them the tiny tots of Prep celebrated 'Grandparents Day' on 18, 19th and 20th September. The Grandparents were warmly welcomed by the principal Mrs. Richa Agnihotri after which the little ones of prep expressed their love for their grandparents through an action song followed by a foot tapping dance, celebrating the good times they have with them. Thereafter, the grandparents were ushered to their respective colour coded corners where 'Dadus and Nanus' donned the role of a chef and prepared yummy 'Bhelpuri' for 'Dadis and Nanis' which was served by their grandchildren with lots of love. Before leaving the grandchildren presented a key ring to their grandparents which was a token of their love and gratitude.
