

Grade One Outing to the Canteen

The grade one students were taken to the school canteen for an outing on 12.7.19, where they were treated to yummy Vanilla icecreams. Their joy knew no bounds when they were given oreo cookies too along with it as part of the cooking without fire activity for the month. The children crushed the cookies into their vanilla cups and made a delicious Vanilla cookie crumble. This was an enjoyable treat for the little ones on a humid summer day and it was a delight to see them digging into their icecream cups with a smile.
