

Heritage School Adaptive Athletic

Students from the Learning Centre had the opportunity to be a part of the 3rd Adaptive Athletic Meet held at “ The Heritage Xperiential School, Guru gram” on the 8th and 9th February’18. 22 children from our school participated with enthusiasm in the 50 meter race, Long Jump, Bowling Pin Knock down, Shot Put, Tennis Ball Throw and Soft Ball throw.

It was a pleasure to see them participate and display their best potential and capability. Children competed with the athletes of the same ability and won prizes in different categories.

The event helped them to explore their interest, develop skills and boast their moral.
