Investiture Ceremony

The senior school investiture ceremony was held with great pomp and dignity in the auditorium on 13th of April, 2018. Vaibhav Kaul, a proud 2008 alumnus, Fellow of the Royal Geographical Society, Fellow of the Royal Asiatic Society, Associate Fellow of the Royal Meteorological Society, and Member of the British Society for Geomorphology, was the chief guest for the event.

The ceremony was held with a lot of zeal and zest. It commenced with the lighting of the lamp by Mr. Kaul followed by a melodious performance by the school choir. He then addressed the assembled audience. He stressed on the importance of love and empathy towards fellow students while executing the duties of the council. He congratulated the newly elected students' council on their achievement and wished them the best of luck.

The students were conferred upon badges by the chief guest amidst thunderous claps by jubilant friends and proud parents. This was followed by the oath taking ceremony. The students' council took the pledge to serve their school and country loyally. The Head Boy and Head Girl delivered their speeches followed by the vote of thanks by the Presidents of Student Representative's Body.

The function concluded with the national anthem.
