

KATHA CREATIVE WRITING SEARCH FOR EXCELLENCE

Dear Students

Katha is organising 'The Creative Writing Search for Excellence 2019'. All students from classes IV-XII can send one entry comprising an ORIGINAL writing (fiction/non-fiction, poetry or prose) in English or Hindi. The word limit for all the grades is 1200 words. This is the first phase of this programme which will be followed by a Regional Writer's Workshop in October-November, to be attended by a selected group of budding writers. The final stage is a three day national level workshop in the month of December. An entry fee of 150/- (in cash) will be charged from the students for the first phase of this competition.

Every year this workshop sees pan Indian participation and only selected entries make it to the second round. Please make sure you submit only ORIGINAL writings for this workshop. The workshop is a unique opportunity for students who love to express themselves through language as they get to work with well-known writers and experts in the field of creative writing. We encourage students to participate in this event. They are free to contact us in case they need any assistance in the registration process. You are free to send your queries to aditiacharya@sanskritischool.edu.in or shrawastiganguli@sanskritischool.edu.in or contact Ms. Aditi Acharya/ Ms Shrawasti Ganguli during school hours, in the senior school staff room.
