***Celebrating the 150<sup>th</sup> birth anniversary of the Father of our Nation!***

Dear Parents

***Gandhiji said, “Your future depends on what you do today.”*** We, at Sanskriti School, believe in teaching the right values and principles to our learners to help them grow into thinking and feeling citizens of this great nation. ***Gandhiji also said, “By education, I mean an all-round drawing of the best in child and man in body, mind and spirit.”*** In order to commemorate the 150<sup>th</sup> birth anniversary of Gandhiji, we request all our parents to talk to their children about the life struggles of Gandhiji and moral values advocated by the Father of the Nation.

Starting from 18<sup>th</sup> September 2019, Sanskriti School will be organizing enriching activities, presentations and hands-on experiences to make our young learners aware of the teachings of Gandhiji and help them inculcate the correct morals and ethics required by them to grow into better human beings.

We also request our dear parents to send a cloth duster with their children to school tomorrow to initiate the cleanliness drive in school. We would like them to clean their own tables every day from now onwards as they start their first lesson and as they leave school in the afternoon. We want our learners to realize that no work is above or beneath them.

***“The best way to find yourself is to lose yourself in the service to others.”***

***Mahatma Gandhi***

Looking forward to your continued support.

Thanking you

Ms. Richa Sharma Agnihotri
