

# Visit to the Lodhi Garden

Class Prep went on a picnic to 'The Lodhi Garden' on 22<sup>nd</sup> January 2018. The children boarded the buses happily and sang songs all the way. The children took a stroll in the garden with their teachers and observed different types of plants around. The main attractions were the tombs in the beautiful garden. After reaching the garden, the children sat on the mats and enjoyed sharing their tiffin. The children basked in the warmth of the Sun. It was a fun filled outing, enjoyed by all.
