Being Me "

"Happy Me" -the quest for happiness led to the realization that Happiness is inside you. It is all the mind. Nursery celebrated its Annual Day on March 1st,2018 in the school auditorium.

In the true spirit of the phrase" Happy Me" nursery children sang, danced, and narrated their lines with great confidence. The parents cheered along and the show culminated with a sing along song "when you are happy and you know you clap your hands....."
