

Prep Annual Day Celebrations

Prep celebrated its Annual Day function on the 1st of March 2018, in the school auditorium. The programme commenced with the traditional lighting of the lamp by our Principal, Mrs. Richa Sharma Agnihotri and a wonderful song by the choir of class 4. This was followed by “Together Everyone Achieves More”, A musical put up by our talented children. The audience cheered and encouraged the tiny tots as they danced happily as a team.

The wonderful costumes the little ones adorned and the props set up by the art department added to the beauty of the show. The function culminated with the entire Prep team coming up on the stage for the grand finale followed by the National Anthem.
