

Parents' Day Out

The Prep Team extended a warm welcome to the parents of our little ones for the 'Parents' Day Out' event organized in the Prep Lawns on the 24th and 25th of April 2018. The parents were guided to their respective classrooms for a general and academic orientation by the teachers. Thereafter, the parents moved to the Prep Lawns where the children welcomed them with an action song "If You're Happy and You Know It". The mesmerizing performance by the children was followed by the refreshments. The finale of the event saw the parents moving to the respective classrooms where along with their children they enjoyed putting together the surprise "Craft Activity" planned for them. It was indeed a day of fun and frolic for everyone!
