

Visit to Rail Museum

"All aboard and close the doors.

Whistle blows and engine roars.

Spinning wheels beginning to grip.

These are the sounds as we start our trip!"

The students of grade Prep visited the 'National Railway Museum', New Delhi on Wednesday, 30th Jan'19. Enthralled by the sight of the toy train, the students couldn't contain their excitement as they boarded the train for the joy ride. Then they explored the museum and saw the engines and coaches displayed as exhibits. Our fun filled outing came to an end with a joyful ride back to the school.
