A bunch of smiling faces lit up the Sanskriti School premises on Saturday, January 19, 2019 with the Sanskriti School Alumni Association (SSAA) hosting its very first official Alumni Reunion.

The Alumni Association, which has recently been formed is lead by the President, Ira Rajeev from the batch of 2008 along with a team of 20 talented and hardworking alumni ranging from all the way to the first senior batch of 2002 to the recent pass outs from 2017 and 2018. The team worked relentlessly to put up a great show. The team was successful in creating awareness and enthusiasm among the previous batches on social media and other platforms and ensured a good turnout on the day of the event.

The event was attended by the school Alumni and the current as well as the Honorary Alumni teachers and support staff of Sanskriti.

The Alumni Reunion started with the lighting of lamp by the guest of honour and the founding Principal of Sanskriti School, **Mrs. Gowri Ishwaran** and the school's current Principal, **Mrs. Richa Agnihotri**, followed by the much nostalgic school prayer.

Expressing gratitude and addressing the students, Mrs Ishwaran, who still continues to be a pioneer in fostering her role as an educationist, shared her journey of how the school came into being. She also urged the alumni to incorporate the feeling of gratitude in their lives and always thank and appreciate people around them. The school principal, Mrs. Agnihotri welcomed the

alumni and thanked the teachers and alumni body for hosting the event and encouraged the alumni to be more involved with their alma mater.

The **Alumni president, Ira Rajeev** also took to the stage and shared her vision for the association. Talking about the mission of SSAA, she discussed how the association can become a platform to provide support services and avenues for engagement and communication to the alumni, in the same time recognising and celebrating the work and achievements of the alumni in partnership with the School.

Anubhav and Alexander from the batches 2002 and 2016 respectively were emcees for the day and were seen sharing Sanskriti moments with the crowd. They also conducted a fun trivia quiz for the alumni to test and refresh their knowledge about the school. Dance and music performances by the current senior school students as well as Alumni students were event highlights. The event concluded with a cake cutting ceremony and the delicious cake read, “We have history together.”

There was an exhibition cum sale of artwork made by Alumni students in the corridors alongside the Amphitheatre. And of course there was lip smacking spread of food with a chaat special and North Indian theme, which has been a favourite of Sanskriti all these years. The old batch mates were seen sharing their cherished experiences and fond memories of school together, taking pictures, visiting their old class rooms, and chatting with their old teachers.

The team put together a great show with support from the school teachers and staff. It was coming #BackToSanskriti for the Alumni students and teachers of the school reliving the best days of their lives!
