

Rocksport Sports Camp: Class 4 & 5 on 9th February 2018

A bright sunny morning saw the children of class 4 & 5 enthusiastically participating in the Rocksport Adventure camp, being held in the school grounds. The children encouraged each other to try and participate in activities like Burma Bridge, rock climbing, commando net, etc. This gave them an opportunity to overcome their fears and inhibitions. The excited children really enjoyed zorbing and DJ. A fun filled day in the sun !!
