

Sanskriti Annual Carnival 2018

The spirit of a Carnival brings to mind fun, magic of teamwork and feeling of selflessness. The Sanskriti Carnival gives our students an opportunity to immerse themselves in this spirit wholeheartedly.

Students from the junior, middle and senior school, the staff and the PTA of Sanskriti were enthusiastically involved in making the Carnival a resounding success. Right from selling raffle booklets to brainstorming stall games to creating colorful handicrafts for selling at the stalls, the carnival displayed the joy of giving and contributing towards the lives of the less fortunate.

All the stalls were decorated with the art work done by the junior school students and were tantamount in spreading the Christmas cheer and best wishes for the new year 2019.

This year at the Carnival, the Sanskriti Environmental Club released a coffee table book “Sanskriti’s Tree Trail” and a new year 2019 planner, comprising of all the trees growing in the Sanskriti campus.

On the whole, everyone from the Sanskriti family worked wholeheartedly to make Sanskriti Carnival 2018 a truly memorable event.
