

Annual Day

Grade-1

Grade one celebrated its Annual day on 30th August, 2019 in the school auditorium. Children were excited and eager to present before the audience the mystery of the “Magnificent number 7”, --- 7 notes of music, 7 colours in a rainbow , 7 continents and 7 days of the week. Each and everyone of them dressed in colourful shimmery costumes narrated the story and importance of the “magic number 7” in our lives. They also danced gracefully to the wonderful beats of the music played, displaying various formations and setting the stage alive with their energy. Finally the children spoke about the most important 7 reasons to smile while at Sanskriti school. With a foot tapping Grand finale the entire Grade one students came up on stage happily beaming with pride after the grand performance they showcased.
