

Visit to the farm

The little ones of Prep boarded Sanskriti buses with great excitement to visit a farm in Brijwasan on the 24th of October 2017.

Upon arrival, the children were greeted with warmth and love. They displayed a great deal of enthusiasm and interest on seeing and identifying various farm animals and were thrilled to see how these animals were fed. They even got a chance to pet them.

Thereafter, our little ones proceeded to the vegetable patch and saw various vegetable bearing plants. This was followed by an immensely enjoyable pony ride and a walk in the enchanted forest where our children were mesmerized to see the figurines of fairy-tale characters like snow white and the seven dwarfs, the three little pigs and the tree house. They also enjoyed the adventurous sport activities planned for them.

After learning all about nature, the children sat down to a relaxing picnic lunch and also had time to enjoy the swings!

Our fun filled outing came to an end with a joyful ride back to school.
