*"Children are the world's most valuable resource and it's the best hope for the future". - Jhon F. Kennedy*

**Dear Parents,**

The 'Sanskriti Family' extends a warm welcome to all of you as we embark on a journey that will help our children make a smooth transition into formal learning. We at Sanskriti, aim at creating 'happy, thinking and feeling Sanskritians who will be change makers'. Our curriculum is structured to include translating of curricular activities to real life applications. Our endeavour is to make this journey a stress free and enjoyable experience for our children. We are indeed looking forward to a great year ahead! We will be updating you about the curriculum that we follow through the newsletter which will be uploaded on the school website at the beginning of each month. It is our sincere request to you dear parents to make a note of the information shared as this is an important link between school, children and parents.
