International English Olympiad

Dear Parents,

We are pleased to inform you that the Science Olympiad foundation (SOF) is conducting the International English Olympiad on January 29, 2015 (Thursday) for students of class IV to XI. The examination will be conducted in school.

All the questions are of objective type with no negative marking. Interested students should fill the details below and submit to their English teacher along with the fee by December 12, 2014.

Sample question papers and other material can be downloaded from SOF website (www.sofworld.org).

With kind regards.

Yours sincerely,

Abha Sahgal
Principal
