Re: Educational Trip to France in May 2016

Dear Parents

It gives me great pleasure to inform you that our school is continuing with the educational programme to France for the students of French of Grade 7 and those of Grade 8 who are looking to take up French in Grade 9 in the Academic Session 2016-17.

As part of the programme, students will have 20 hours of French classes in a language school in Antibes which is in the south of France and sightseeing in different parts of Southern France. They will also be visiting Paris for two days before their return home. We believe that this would be an excellent learning experience for our French students in terms of understanding the French culture and enhancing their language skills.

The trip will take place from 22 May – 30 May 2016. The trip will be accompanied by School teachers. The cost of the programme will be Rs 1,90,500 only (Rupees one lakh ninety thousand and five hundred only) per student. The cost includes the following:

- Economy class air travel
- Residence accommodation in multiple rooms
- Customized curriculum based on students language skills
- Extensive practice of oral skills during excursions
- High standard courses in international classes
- Authentic French meals
- Exploratory sightseeing of Juan les Pins and Antibes
- Visit to Nice and the Musee Oceanographique
- Visit to Monaco
- Visit to Cannes
- Travel by legendary TGV to Paris
- Sightseeing of Paris
- Visit to Eiffel Tower 2nd floor
- Cruise on River Seine
- Medical insurance.

Interested students are requested to fill the attached consent form and mail it to Dr. Deepti Srivastava (deeptisrivastava6@gmail.com), by December 30, 2015. Feedback from the students

The French educational program was a memorable trip which included many exciting events and programs like a trip to Chansalisez, the ultimate shopping destination in France, an ice-cream during street shopping, a drive past Louvre and yes, a trip in TGV. The cherry on the cake was of course, Paris and its beauty it is incomparable! During all this fun, we also kept in mind our goal! Learning French, understanding differences, understanding & learning something that was new to us and yes, surely diversity is a lovely thing.
