

**International Forum on adopting an ICT Perspective to Education and Learning  
Sanskriti Showcase- Nov 3, 2016**

International Bureau of Education (IBE), UNESCO in partnership with Google and in collaboration with UNESCO International Institute of Technology for Education (IITE), Moscow , the National Council for Education Research and Training (NCERT) in New Delhi and the Ministry of Human Resource Development of the Government of India (MHRD-GOI) organized an International Forum on adopting an ICT Perspective to Education and Learning at New Delhi from 31st October - 4th November 2016.

Sanskriti School had the unique opportunity to host interactive hands - on session for 100 National and International delegates showcasing the use of GSuite for Education and Chromebooks on 3rd November 2016.

The teachers of the Social Science department led the interactive session and the participants got a chance to experience Google Classroom, Google Maps and Google Slides integrated with the topic of class IX. The students of class IX F were actively involved in the interaction and led the group of four to five participants in the various activities.

Students had a great learning experience as they interacted with the participants and demonstrated their understanding of using technology.

Three teachers - Sangeeta Gulati, Sanchita Ghosh and Roopali Arora attended the inaugural and the follow up sessions of the conference.
