

## **INVITATION TO PARTICIPATE IN National Challenge- IDEATE FOR INDIA- CREATIVE SOLUTIONS USING TECHNOLOGY**

The National e-governance Division (NeGD), Ministry of Electronics and IT in collaboration with Intel India has launched an online National Challenge, 'Ideate for India- Creative Solutions using Technology.' This aims at inculcating and sustaining the spirit of innovation in the youth of our nation. At Sanskriti, we have full confidence in your talent to change from Tech users to Tech creators. Go ahead to participate in the online National challenge and explore a little more of yourself.

This competition is open to students of class 6-12. It shall happen in three phases. To participate in phase I, student is expected to watch the featured videos and then upload a 90 sec video explaining the problem and their proposed solutions on any one of the given 11 core theme areas.
